Stephen and Mayor Johnson,

Hello.

Please see the attached letter I mailed yesterday to the Idaho Conservation League (ICL). The attached letter is in response to comments ICL submitted regarding the CAFO with the City of Driggs, ID that was recently posted for public comment. The comment period is closed and no other comments were received. Should ICL decide to file a petition to set aside the CAFO, I will notify you both and we can talk through what the process and timeline will generally look like in this event. If no such petition is filed, I, or David Domingo, will be in touch with how we will proceed to finalize this matter.

Please let David or me know if you have any questions.

Thanks,
Clarke
